League Information

New this year is the women's Trio league, joining the Men's Trio league that began last year. Also new is the CTA's Silver Senior league for players age 70+. There will now be playoffs prior to District championships for USTA Adult and CTA Twilight leagues. These leagues generate enormous participation, which has made scheduling for Districts nearly unmanageable. [SEE PAGE 3](#)

Volunteers Needed!

Interested in volunteering for the LTA? Contact your respective LTA coordinator. Volunteers are especially needed for our youth programs, as well as web communications, publicity, leagues, membership, and tournament coordination.

LTA MISSION STATEMENT

Longmont Tennis Association (LTA) is a nonprofit community-supported organization dedicated to promoting the sport of tennis and improving the Longmont-area tennis experience. Using local facilities, LTA organizes USTA and CTA-sanctioned leagues and tournaments, as well as LTA-sponsored ladders, socials and drop-in tennis events for its members and their guests. LTA seeks to provide social and competitive tennis activities at minimal cost in a structured, safe environment for players of all ages and skill levels.
